

# MARITIME

**Port Hawkesbury Paper's line of Maritime® SCB papers embody the tradition, pride and heritage of the Maritime region. A reliable, high-value SCB paper, Maritime raises the standard and always delivers excellence.**

From one of the highest performing mills in North America, you will always get state-of-the-art quality that is as reliable as the tides. Used for retailers, coupons, and ad inserts, the Maritime line of SCB papers delivers a versatile, bright and smooth product. You can be confident that the sheet will run consistently and issue-free on press.

Located on the shores of the Strait of Canso in Nova Scotia, Port Hawkesbury Paper is the leading provider and low-cost producer of supercalendered (SC) paper in North America. The SC machine at Port Hawkesbury is capable of delivering the highest quality and most efficient paper production available. Port Hawkesbury Paper's Artisan® Plus, Artisan®, Prominence Plus®, Prominence® and Maritime® lines offer a wide selection of supercalendered options to publishers and printers who are looking for premium quality paper. All Port Hawkesbury papers are available with FSC®, SFI® or PEFC® certified options and are used in retail inserts, catalogs, magazines, circulars and coupons.
