

PROMINENCE^{plus}

Higher end magazines and catalogs looking for extra brightness and gloss will shine on Prominence Plus® which is available in a wide range of basis weights in both offset and rotogravure.

As the name states, Prominence papers stand above the rest with particular distinction and reputation. The Prominence Plus line of SCA+ is a paper of exceptional quality, and every image printed on Prominence Plus jumps off the page.

Retailers, catalog and magazine producers will immediately see the difference when switching to Prominence Plus. Advertisements will look sharp, clean and bright — the outstanding value will earn you the praise of your advertisers and readers alike.

Located on the shores of the Strait of Canso in Nova Scotia, Port Hawkesbury Paper is the leading provider of supercalendered (SC) paper in North America. The SC machine at Port Hawkesbury is capable of delivering the highest quality and most efficient paper production available. Port Hawkesbury Paper's Artisan® and Prominence® Plus lines offer a wide selection of supercalendered options to publishers and printers who are looking for premium quality paper. All Port Hawkesbury papers are available with FSC®, SFI® or PEFC™ certified options and are used in retail inserts, catalogs, magazines, circulars and coupons.
