

# ELEVATION<sup>®</sup> OFFSET

Port Hawkesbury Paper 80 bright uncoated paper—engineered for optimal printing.

The 50# Elevation Offset grade is made to deliver superior characteristics that help make your printed pieces look and feel high-quality. With a world class production facility, Port Hawkesbury Paper has engineered an uncoated thermomechanical pulp (TMP) sheet that both looks great and performs on press and in finishing.

Elevation Offset - a premium uncoated paper
